

Mister Fab is an online shopping website and mobile app for men, women, and kids. Founded in June 2018 Mister Fab is aiming to provide the most comfortable and branded look and feel to all Indians. Our strategy is to deliver the best in the quality of the products along with the satisfactory customer support and hassle-free customer return policy.

We are a self bootstrapped homegrown Indian Brand. We provide the trendiest design and style with the vegan and eco-friendly production. Our employees are the pillar of our organization that's why they are our family members too we take care of their safety first. Our mission is to provide the benefits of pocket saving and helping hand policies to our employees. We believe in an open work culture environment, that's why every employee working with us always makes us feel we're working with the entrepreneurs, not with the organizational culture.

Apna Jansath (अपना जानसठ), is a youth organization in Jansath founded by Rajan Dimri for the mission of Digital India initiative. During the pandemic covid19, apna jansath has donated free fifty face masks to the people of jansath in a partnership with Mister Fab.

We also run the social media campaign by creating the virtual facemark filter on the Instagram and run the campaign with #MaskZarooriHai - <https://www.instagram.com/ar/650661565663948/>

For any queries visit <https://misterfab.in/pages/contact>. We will never ask you to share OTPs, PIN, or sensitive account information on the phone.
